

NATIONAL BACK EXCHANGE ANNUAL CONFERENCE 2010
27th to 29th September 2010 at the Hinckley Island Hotel, Hinckley,
Leicestershire

CALL for PAPERS

Abstracts to be in please by Monday 21st December 2009

Your Conference needs you

The working focus for conference is **Foundations of Practice and Beyond**. Abstracts should refer to evidence based practice and offer practical solutions to handling the challenge of working in specific areas of people and load management practice.

In addition to research based presentations, we would again like to include a '**back to basics**' element . Feedback from previous conferences shows that delegates enjoy the sessions where they are interactive and practical, using case studies, problem solving and discussion.

The call for papers will be circulated to associated professional and academic bodies as well National Back Exchange members to encourage the sharing of information and the development of practical handling solutions in this complex area of practice.

Guidelines for Abstract Submission.

Please submit your abstract by **e-mail** to the National Back Exchange office nationalbackexch@btconnect.com AND TITLE THE EMAIL – **CONFERENCE 2010 ABSTRACT** followed by **Your Name**
